An incomplete grade in a Weinberg course is only appropriate for students who cannot complete a course due to unforeseen circumstances, typically in cases of sudden illness or a family emergency at the end of the term. Incompletes are for work due AFTER the withdrawal deadline.

Students must:

1. Have substantially engaged in the course throughout the entire quarter;
2. Be able to pass the course when the missing assessments are completed;
3. Submit with this form documentation substantiating the occurrence that impacted the ability to complete work. Include a syllabus for the class. (Combine documentation into one pdf. We do not accept screenshots or image files.)

See [Incompletes: Weinberg College of Arts and Sciences - Northwestern University](#) for more details.

### Petition Process

1. Complete the student section of petition form, attaching syllabus and all supporting documentation. Please note: if you are requesting more than one incomplete, each course will need its own separate incomplete request form and documentation attached.
2. Have your instructor fill out their section of the form. You must discuss the incomplete with the instructor, and they will set a new deadline for completing the missing work.
3. Once your instructor returns the form, contact your school adviser for their signature.
4. Attach the completed form, syllabus, and supporting documentation to an email to [wcas-forms@northwestern.edu](mailto:wcas-forms@northwestern.edu).

*Please note - petitions are not automatically approved upon submission. Final approval rests with the Assistant Dean for Academic Standing.*

*Petitions cannot be reviewed until all materials are submitted. Petitions missing supporting documentation, adviser and professor signatures or approval emails, or that don't have a new deadline listed, cannot be reviewed by the Assistant Dean for Academic Standing. Students are responsible for promptly submitting any missing information. Failure to respond may result in the denial of the request.*

**REASON FOR REQUESTING THE INCOMPLETE** - Please check one of the boxes:

☐ Health-related matter - The unforeseen illness must be severe enough to significantly impact your ability to complete assignments or exams. If you visited NUMedicine (NU Student Health) or an urgent care, the provider can confirm your illness and make a note available to you through MyChart. Student Health will not write retroactive excuse notes; you must seek care while you are ill. Medical notes must be on letterhead and include dates of impact.

☐ ANU-approved accommodation – Discuss your request with ANU to confirm that an incomplete is appropriate. Provide a copy of your accommodation plan for the course. You may be asked to provide additional documentation.

☐ Family Emergency – \_\_\_\_\_  
Provide dated documentation of the emergency.

☐ Other \_\_\_\_\_  
Provide dated documentation of this situation.

### STUDENT ATTESTATION:

☐ I have discussed a deadline for completing the missing work with my instructor. I understand that my instructor will determine the final makeup date, typically during the next term, in accordance with University policies.

☐ I understand that if this request is approved, it is my responsibility to follow up with the instructor to complete the missing work by the deadline. If I do not complete the work by that deadline, my instructor will be asked to submit a final grade with the missing work counting as a zero.

*By University policy, the student must complete the course and the grade must be changed no later than the end of the following term. You may also set an earlier date.*

- ☐ I understand that if this request is approved and the student does not complete the assignment by the modified due date, I will be asked to submit the student's current final grade listed above.
